

Always Being There  
written by Brad Meeks

Verse 1:

On the day of my first fall and my first home run in baseball  
When I got my license to drive, at graduation when everyone cried  
On the day I married my wife, that advice you gave for my life  
Thanks momma and daddy for always being there

Verse 2:

Our first touch in that rainbow car, that's when I knew I'd give you my heart  
You were my first and only love, the one I know I'll never let go of  
I cherish the day that I made you my wife, and I pray that it lasts for the rest of our lives  
Thanks my baby, for always being there

Chorus:

You were there when all I needed was a friend to lean on  
Every trial I face, you lift me up when all my hope is gone  
Through the good and bad, I always knew just how much you cared  
I just wanted to thank you for always being there

Verse 3:

I lived fourteen years 'til the day, You came in my life and took my sins away  
There've been times when I've got in too deep, but all along You were there with me  
I owe to You all the pleasures of life, for a job, a family, my son, and my wife  
Thank You Jesus for always being there

Chorus:

You were there when all I needed was a friend to lean on  
Every trial I face, you lift me up when all my hope is gone  
Through the good and bad, I always knew just how much you cared  
I just wanted to thank you for always being there

Chorus:

You were there when all I needed was a friend to lean on  
Every trial I face, you lift me up when all my hope is gone  
Through the good and bad, I always knew just how much you cared  
I just wanted to thank you for always being there
