

Christmas At Home

Verse 1:

It's always been my favorite time of year
When joyful music fills the atmosphere
The lights, the tree
the gifts we bring when we see family
Celebrating how a baby came to set us free
A special kind of love is in the air
Making memories with our loved ones there

Chorus:

Christmas at home
No one alone
The ones you've missed are here
Your worries disappear
Peace here is found
Snow's on the ground
There's nothing like our own
Christmas at home

Verse 2:

The older that we get the more has changed
There's empty chairs of those we wish had stayed
The echo of their laughter rings
And hearing their voice sing
Telling those old stories
So we don't forget a thing
Though they won't be walking through the door
Holidays are now spent with the king forevermore

Chorus 2:

Christmas at home
No one alone
The ones you've missed are here
Your worries disappear
Peace here is found
Angels all around
Gathered 'round the throne
Christmas at home

Bridge:

Because someone we love is in Heaven
There's a little bit of Heaven in our home
(Mod)
