

## HERE COMES THE RAIN

### Verse 1:

Are you listening  
To the Father  
He's calling us  
He's calling us  
Can you feel it  
Stirring 'round us  
It's coming  
It's coming

### Verse 2:

I hear the sound  
Off in the distance  
It's getting louder now  
It's getting louder now  
The winds are blowing  
The clouds are rolling  
It's coming  
It's coming

### Verse 3:

I feel a shaking  
In the Spirit  
It's getting closer  
It's getting closer  
Are you ready  
Faithful children  
It's coming  
It's coming

### Chorus:

Here comes the rain  
Here comes the rain  
In great abundance  
Here comes the rain  
Here comes the rain  
Here comes the rain  
A fresh outpouring  
Here comes the rain

### Bridge:

When it looks like  
You've been defeated  
Turn your eyes  
On the horizon  
God is working  
When we can't see Him  
And in abundance  
He's sending rain

### Chorus:

Here comes the rain  
Here comes the rain  
In great abundance  
Here comes the rain  
Here comes the rain  
Here comes the rain  
A fresh outpouring  
Here comes the rain
