

I'm Telling You
written by Victoria Bowlin

Verse 1:

When you're sick in your body and I take away the pain
When the weight gets so heavy, I take away the shame
Remember one thing I'm telling you today
By doing all these things, this is what I'm trying to say

Chorus:

I'm telling you how much I love you
I'm telling you how much I care
I'm telling you how much I love you
And reassuring you I'll always be there

Verse 2:

When you pray and pray for something, and I answer your prayers
When you worry about a problem, and I lift all your cares
Don't forget what I promised you, I'll never leave your side
I'll pick you up and hold you and wipe the tears you've cried

Chorus:

I'm telling you how much I love you
I'm telling you how much I care
I'm telling you how much I love you
And reassuring you I'll always be there

Bridge:

I'll walk beside your every step and lead them one by one
And in those times when you can't walk alone
I'll carry you, until you've overcome

Chorus:

I'm telling you how much I love you
I'm telling you how much I care
I'm telling you how much I love you
And reassuring you I'll always be there
