

Jesus Is Always There For Me
written by Victoria Bowlin

Chorus:

Jesus is always there for, there for me
He has won the victory, victory
He will keep my safe from harm, and He will keep me in His arms
Jesus is always there for me

Verse 1:

When I'm feeling really low, I know somewhere that I can go
Jesus is always there for me, oh yea
When I go to Him in prayer, He already knows that I'll be there
Jesus is always there for me

Chorus:

Jesus is always there for, there for me
He has won the victory, victory
He will keep my safe from harm, and He will keep me in His arms
Jesus is always there for me

Verse 2:

I know that He loves me so, and with this I'll surely know
Jesus is always there for me, oh yea
Every morning, noon, or night I can't see Him with my sight, but I still know
He's always there for me

Chorus:

Jesus is always there for, there for me
He has won the victory, victory
He will keep my safe from harm, and He will keep me in His arms
Jesus is always there for me
