

Joy In The Morning
written by Victoria Bowlin

Verse 1:

When I wake up in the morning and start each brand new day
I thank God for His blessings with a smile upon my face
Though Satan comes against me, I will not lose my faith
Though weeping may endure the night, things are 'bout to change

Chorus:

There's joy in the morning with each passing day
No matter what you're facing now, help is on the way
Don't worry about tomorrow, He's worked it out for you
Remember joy comes in the morning, and you're gonna make it through

Verse 2:

You may feel at your lowest point, it seems all hope is lost
but friend may I remind you there's one who paid the cost
So wipe the tears back from your eyes, let the joy replace the pain
'Cause freedom waits for you today if you'll call on Jesus' name

Chorus:

There's joy in the morning with each passing day
No matter what you're facing now, help is on the way
Don't worry about tomorrow, He's worked it out for you
Remember joy comes in the morning, and you're gonna make it through
