

Let Your Will Be Done  
written by Victoria Bowlin

Chorus:

Let Your will be done in my life no matter what may go through my mind  
Lord my heart's desire is to do what You require  
So let Your will be done in my life

Verse 2:

Oh I pray sometimes thinking only of myself and I ask You Lord for things like houses cars and wealth, but I have to remember that You have a perfect plan, These things will come if I believe and hold tight to Your hand

Chorus:

Let Your will be done in my life no matter what may go through my mind  
Lord my heart's desire is to do what You require  
So let Your will be done in my life

Verse 2:

Well we all get impatient waiting on the Lord to move when we've prayed and prayed for something and there's nothing else we can do, but we have to keep in mind that God has His perfect time, we just have to pray for peace that day and the answer we will find

Chorus:

Let Your will be done in my life no matter what may go through my mind  
Lord my heart's desire is to do what You require  
So let Your will be done in my life
