

Not Today Satan

Chorus:

Not today Satan
Get thee behind me
No weapon shall harm me
I'm walkin' in vic'try
Oh no I am not the same
Jesus rewrote my name
So not today Satan
Not today Satan

Verse 1:

There's been a time or two
I didn't know what to do
When Satan was drawing near
Inflicting such doubt and fear
But that's when I'm reminded
That I've been born again
So I'll just plead the blood of Jesus
That took away my sin

Repeat Chorus

Verse 2:

When I am feeling low
There's a place I can go
Troubles may fill my mind
But in the cleft I can hide
'Cause greater is He that is in me
Than he that comes to condemn
So I'll take out my sword of truth
And tell him once again

Repeat Chorus

Bridge:

I'm takin' it back (Adlib)
Takin' it back
I'm takin' it back (Adlib)
Takin' it back
Everything you stole (Adlib)
Takin' it back
It's coming back with interest (Adlib)
Takin' it back
Takin' back my family (Adlib)
Takin' it back
Takin' back my health (Adlib)
Takin' it back
I'm a new creation (Adlib)
Takin' it back
And I'm takin' it back (Adlib)
Takin' it back

Repeat Chorus
