

Quarantined Christmas

Verse 1:

2020 sure has been a year
It's even tried to take our Christmas cheer
They say stay away from the ones you love
and the ones you hold so dear
Keep them safe, so they'll be around next year

Chorus:

Stock up on the toilet paper
Walk one way down the aisles
Wear a mask when you go in
Or you could get kicked out
I know that we're supposed to be
cuddled up as two birds of a feather would be
But I guess we'll have to sit
on opposite sides of the tree
It's a quarantined Christmas
Just you and me

Verse 2:

Kids have been staying home from school
Acting crazy and Momma's lost her cool
It's hard to make Grandma's pie
Without her there by your side
I guess we'll have to settle for FaceTime

Bridge:

If it weren't for Amazon
Santa Claus would be a con
'Cause everything this year will be shipped
Better read those wish lists right
Or else there's bound to be a fight
Double check your cart before you click

Repeat Chorus

Wash your hands and say your prayers
'Cause Jesus and germs are everywhere
It's a quarantined Christmas
Just you and me
