

Watching And Waiting  
Written by Victoria Bowlin

Verse 1:

One of these morning and it won't be long, the trumpet is gonna blow  
The born again will ascend and the sinners left below  
It pays to be ready, don't waste your time, for we know not the day  
God is gonna split that eastern sky, His children will be called away

Chorus:

Well, I keep watching and I keep waiting for Jesus to come again  
The time is nearing and I keep feeling a stirring deep within  
In the twinkling of an eye, I'm gonna fly when He calls His children in  
So I keep watching and I keep waiting for Jesus to come again

Verse 2:

Ooooo

Look around, can't you see, the signs are everywhere  
What we've read in the book of revelation is now drawing near  
It's not just a story that's been passed down, we're closer than we've ever been  
I can't wait 'til the day when we leave this world of sin

Repeat Chorus

Bridge:

In the twinkling of an eye, I'm gonna fly  
In the twinkling of an eye, I'm gonna fly

Repeat Chorus
