

## **When He Comes Back Again**

Written by Victoria Bowlin

Verse 1:

When I woke up just this morning, I was thinking about the cross  
Jesus bled and died so He could save the lost  
But when He arose from the grave, He made a promise to believers  
Don't be afraid, for I'll come back again

Chorus:

When the king returns in splendor, He'll be riding on the clouds  
When my eyes behold that glorious face, He'll say welcome home my child  
When He leads me through the promised land, I'll see my loved ones there  
On that day when Jesus takes my hand, when He comes back again

Bridge:

But until then my heart will go on singing  
Yes, until then with joy I'll carry on  
When He leads me through the promised land, I'll see my loved ones there  
On that day when Jesus takes my hand, when He comes back again

Bridge 2:

The king is coming, the king is coming  
I just heard the trumpet sounding, and now His face I see  
When He leads me through the promised land, I'll see my loved ones there  
On that day when Jesus takes my hand, when He comes back again  
On that day when Jesus takes my hand, when He comes back again  
Comes back again
